# About Relief Mission Foundation

Relief Mission Foundation is a registered charitable organization founded on June 18, 2021, situated in Jaipur, Rajasthan, India. Our mission is creating a long and strong relationship between individuals to generate funds for the well-being of children and needy persons.

## Key Focus Areas:

- Promote commerce, education, art, science, sports, social welfare, and protection of human rights
- Protection of the environment including tree plantations and water treatment plans
- Women empowerment and skill development
- Educational support to economically disadvantaged students
- Sustainable development and poverty eradication
- Welfare of poor, underprivileged, and socially backward people
- Vocational training and IT-related courses for economic upliftment

## Core Philosophy:

Sustainable change starts with compassion, collective effort, and empowering the most vulnerable. We provide a warm and safe environment for children, enabling them to achieve their full potential through proper food and sanitation facilities.

# Problem Statement & Objectives

## Problem

Campaign messages often fail to attract attention when crowded or visually inconsistent.

## Primary Objective

Create simple, engaging posters that communicate one clear social message at a time.

## Skills Goals

Improve typography, colour selection, composition, spacing and visual hierarchy.

# Scope, Themes & Deliverables

Scope: Conceptualise and design social-awareness posts for digital platforms; prepare layouts, select imagery and export campaign-ready assets. Exclusions: software development, paid ads, print production or long-term measurement.

- Responsible Giving & Reuse
- Access to Educational Resources
- Volunteering & Community Service
- Elderly Care & Social Support
- Clean Water & Water Conservation

# Workflow & Methodology

Iterative, brief-driven process: reduce content to a concise headline + supporting line, choose readable typography, apply contrast and spacing, place imagery to support the message, refine with feedback.

# Learnings, Challenges & Solutions

## Design Skills

Improved composition, hierarchy, balance, spacing and typography choices.

## Readability Over Imagery

Used contrast, spacing and controlled text placement to preserve legibility.

## Avoiding Repetition

Varying composition, colour treatment and visual emphasis while keeping core branding.

# My Design Work

# Outcomes

Strengthened practical design skills, professional practice in brief-driven iteration, and delivered campaign-ready social creatives aligned to Relief Mission Foundation's objectives.
